

## Anti-Semitism

Anti-Semitism is a nebulous term open to misinterpretation and deliberately weaponised to stop dissent and criticism. Semitic was a term for an ethnic, cultural or racial group who speak or spoke the Semitic languages. First used in the 1770s by members of the Göttingen School of History, the terminology was derived from Shem, one of the three sons of Noah in the Book of Genesis. Semitic-speaking peoples of the Middle East like Arabs, Jews, Mandeans, Samaritans, and Assyrians/Syriacs are genetically related but certain Jews (Ashkenai) are more closely related to groups in the north of the Fertile Crescent (Kurds, Turks, and Armenians) than to their Arab neighbours and even have a significant matriarchal European input. Palestinians and Arabs are therefore also Semitic peoples, but we rarely hear the term anti-Semitic being used in the context of Palestinians as it has come to refer exclusively to the Jews.

It is taken to mean anyone who is hostile or discriminatory towards Jews. In other words, anyone who is critical of Jewish behaviour. **The Old Testament prophets were anti-Semitic as were the NT writers.** The apostle Paul says; “Who killed the Lord Jesus and the prophets and also drove us out. They displease God and *are hostile to all men*” (1 Thess 2:15). Paul says that his fellow countrymen are contrary (KJV) or hostile (NIB) to all men. In other words, they have hateful towards other ethnicities and are also murderers (according to Paul). The apostle Paul is then most definitely classified as an **Anti-Semite** in fact many Jews consider the apostle Paul and any other Jew who is critical of the Jews as a “self-hating” Jew. Using this criterion even Jesus becomes a self-hating Jew and an anti-Semite.

Anyone who wishes to discuss the rise of Anti-Semitism must also discuss the historical manipulation that prolonged WW1 (thereby increasing the death toll) in order to push the agenda of the Balfour Declaration. They must discuss the role of the Jews in the Communist Revolution and in the Holodomor. They must discuss the role of the Jews in intellectual Jewish movements such as the Frankfurt school that introduced the very divisive and ruinous “cultural Marxism” identity politics into the West. They should also discuss the role of the neoconservatives (Jews) who destroyed the Middle East (war in Iraq rise of ISIS etc) and who are intent on instigating yet another war with Iran. They should discuss the motives of Jews (like the billionaire George Soros) who promote “open society” NGO’s – who cause destabilisation of the West through mass immigration and “diversity” (LGBTQ). They should discuss those Jewish Zionists (such as the billionaire Sheldon Adelson) who support Trump. They should discuss the Jewish Epstein, a Mossad agent that compromised the highest echelons of British and American politics. They should discuss Jewish control of the media, Hollywood, academia and finance. They should discuss the Rothschilds with an estimated wealth of 500 trillion; a Jewish family that funded many of the wars and

revolutions over the last centuries. They should discuss that the financial system is about to be collapsed in order to introduce a new monetary system (666) making everyone a debt slave. They should discuss that Australia is about to be dragged into another Middle East war (announced today); “**Deescalating tensions** (LOL) in the gulf by sending more warships in order to maintain the “global order” (**walking away from a nuclear treaty**) and the “rule of law” (**piracy of ships by the UK**)”. They are nothing but bullies and warmongering puppets of Zionist Israel. (Friends of Israel but are they friends of GOD???)

It is true that Anti-Semitism is on the rise. That is because they have overplayed the “victim card” and people **are starting to wake up**. Israel is the Great Harlot who controls the nations. Her propaganda and control are immense but is starting to crumble.

**It is enough.** Jesus looks for Israelites in whom there is no Jacob (guile/deception). Jews, who recognise his messiahship (like Nathaniel did). Not for Jews who want to build their own kingdom (Yinon plan), Jews who oppress their neighbours, Jews who deceive the nations to fight their wars, Jews who want to own the world and **still reject Jesus as the messiah**.

Just as the Jews turned many Christians back to Judaism (like a dog to vomit) in the first century so also at the end they have convinced many “Christian-Zionists” that they worship the same God, they say that they are Jews but they belong to the Synagogue of Satan (Rev 2:9).

The problem with many Christian-Zionists is that they are “unteachable” and completely blinkered. They are sleep walking into disaster.... into becoming “beast worshippers” all the while fooling themselves that they support “God’s people”;

“The prophets prophesy falsely, and the priests bear rule by their means; and my people love *to have it* so: and what will ye do in the end thereof?” (Jer 5:31)

If being critical of the Jews makes one an Anti-Semite then I am proud to stand alongside all the prophets, alongside the apostle Paul and alongside Jesus to add my voice to theirs.
