

## Holocaust or self-immolation?

This paper is intended as a response to the article by Laurent Guyénot entitled; *A Holocaust of Biblical Proportions* that appeared in the Unz Review on November 11, 2019.<sup>1</sup> I find myself largely in agreement with his description of the mind-set and politics behind the holocaust but uncomfortable with his portrayal of the Old Testament. The texts referred to by Guyénot are either misunderstood or misinterpreted. Guyénot is attempting to establish a “psychopathic biblical” paradigm as the basis for aberrant behaviour. If Guyénot wanted to make a point about the necessity for six million victims (sacrifices) then why did he neglect any reference to the source of the “prophecy” which is the **Talmud and not the Old Testament?** Before we examine his Old Testament arguments we turn to the Talmud.

### Talmudic interpretation (sic)

For the permission to return to the Promised Land, God allegedly demanded from them a "6-Million-Holocaust-Offering", so the high priests interpreted a Torah prophecy that reads: "**You shall return**" (due to a spelling mistake the priests interpret it this way "**You shall return, minus 6 million**")

**This self-imposed prophesy** – without fulfilment of this prophesy the return to the Promised Land would not be permitted – led to the 1919 "**six-million-prophecy-crash**". Based on the Balfour-Declaration of 1917 the state of Israel was guaranteed, and the Diaspora-Jews would return to the "Promised Land". The leading Jews at that time expected 1920 a migration of their brethren into "their Land". **But, before the return could take place, "6 million" of them had to disappear, according to the wrongly interpreted prophecy.**<sup>i</sup>

In fact, Jewish organisations proclaimed already in 1919 a "6 million-holocaust", taking place in the Ukraine: "**Six million men and women are dying; eight-hundred-thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the law of God or man; but through the awful tyranny of war and a bigoted lust for Jewish blood. In this threatened holocaust of human life ...**" [The American Hebrew, Oct. 31, 1919, Nbr. 582] <sup>2</sup>

All I can say is that it is a good thing that the rabbi or the cohen did not accidentally repoint the text to read 6-billion or 6-trillion or 6-gazillion. That might have caused cognitive dissonance. Of course, the number killed at Auschwitz has been constantly revised downwards.<sup>3</sup>

<sup>3</sup> They keep changing the sign out in front of Auschwitz. First, it said 4 million Jews died there, then it quietly was replaced with a sign that claimed 2.6 million. Today, the sign claims only 1.5 million Jews died in Auschwitz, with serious discussions taking place about lowering that into the range of 700,000, yet the reductions never seem to make it into the claim of 6 million total." **New 'Official' Changes in the Auschwitz Story** [http://www.ihr.org/jhr/v21/v21n3p24\\_weber.html](http://www.ihr.org/jhr/v21/v21n3p24_weber.html)

The fact is that numerous archived News Paper headlines speak of the **6 million** figure and even mention the word holocaust at least **twenty years before it happened**.<sup>4</sup> The ground was well prepared for the holocaust seed to be planted. It has grown and produced its poisonous fruit.

## The Bible and the holocaust

**Nowhere** in the Old Testament does it say that God demands the sacrifice of 6 million Jews as an “offering” before they are allowed to return to the land. Laurent Guyénot arguments smack of Marcionism or are perhaps influenced by Wellhausen's documentary hypothesis. Marcionism was an Early Christian dualist belief system that originated in the teachings of Marcion of Sinope in Rome around the year 144. Marcion believed that Jesus was the saviour sent by God, and Paul the Apostle was his chief apostle, but he rejected the Hebrew Bible and the God of Israel. On the other hand, Wellhausen's documentary hypothesis established different underlying sources, predominantly J (Yahwist) and P (priestly). It is argued by some that the Priestly (Levitical) source was added by the priests during the Babylonian exile and it contains all the “nasty” bits. Not only is this crass reductionism it does an injustice to inter-textual harmony and such a simplistic approach is increasingly rejected by modern Old Testament scholars. Things have moved on since the eighteenth century.

The Bible is either accepted as a whole or rejected in its entirety. Any Christian worth his salt realizes that the Old Testament is fundamental to the woof and weave of the New Testament. Jesus regarded himself as the fulfilment of the law and prophets he did not reject the “nasty” P texts (LOL).

The axiom of Biblical interpretation is that “context is everything”. The theology of the Bible including the Old Testament is that **God provides the ultimate sacrifice**. This was demonstrated in Genesis with the covering of nakedness with animal skins provided by God and also at the “sacrifice” of Isaac where the lesson was rammed home **that God provides**. The Old Testament tells us that we deserve to die. We have “earned” death. How can a death that is “earned” be a sacrifice...? Surely it is a punishment? That is like saying that the serial killer placed in the electric chair is sacrificing himself (LOL). No, he is getting his just deserts. Moreover, those Jews who died in the holocaust were not sacrificed they **were sold out by** their brethren as you make abundantly clear. It was a case of the end justifies the means.

<sup>4</sup> I would direct you to this video: **Old Newspaper Read's Six million Jews Died in 1915 1938 Before Hitler was in power.** <https://www.youtube.com/watch?v=763anDaYF1U> But it has been removed: *This video has been removed for violating YouTube's policy on hate speech.* When they ban truth telling as “hate speech” they only make people more determined and they establish beyond doubt that what is being said is true.

JewTube was unsuccessful I found the video here:

<https://archive.org/details/oldnewspaperreadssixmillionjewsdiedin19151938beforehitlerwasinpower>.

I also have an image which is a collage of headlines from before the second world war establishing **the facts and the truth** (hate speech) without doubt: [http://www.biblaridion.info/6\\_million.jpg](http://www.biblaridion.info/6_million.jpg)

They **were sold out like Joseph when he was sold into Egypt**. That was a despicable act with Joseph typifying the messiah. So, Jews selling out their fellow brethren is not a new phenomenon. God did not condone or encourage it. Moreover, the tribe of Levi (progenitor of the priests) was condemned by their **own father** Jacob when he told them **that they were cruel**. Instead of reaching out to a *goyim* they had practised an honour killing and abused the covenant. Jacob was not well pleased and told them that they had made his **name to stink** among the inhabitants of the land. The Jews had become a “bad smell” because of priestly behaviour towards gentiles.

Your interpretation is too simplistic and is biased by your world view. Many of the passages that you refer in order to prove your point prohibit intermarriage because they were meant to be a “holy” (consecrated) nation – they were “married” to Yahweh and therefore could not serve “other gods”. The other nations practiced child sacrifice (Moloch) and had hierophants at cult centres (under every green tree); male and female priests (prostitutes) who practiced the “sacred mysteries” through their esoteric sex-cults. Some cities such as Sodom and the Geba incident had completely surrendered to immorality (adultery) and idolatry which in the Old Testament **are indistinguishable**. Note that at the Golden Calf incident the Jews “rose up to play” which describes a mass orgy and violence (such as in the time of Noah). And your mention of the priest who pierced the copulating couple neglects to mention that the Midianite women had been involved in a ploy instigated by Baalim to bring a curse upon Israel (see the previous chapter). The case you make is not nuanced. The Jews did intermarry with faithful gentiles, witness gentile women mentioned in the Davidic line (e.g. Rahab, Ruth etc). However, the Jews are again committing idolatry;

“But ye have borne the tabernacle of your Moloch and Chiun your images, **the star of your god**, which ye made to yourselves” (Amos 5:26).

In the second century it was the false messiah “son of a star” (Bar Kochba) that they worshipped and now it is the “star of David” symbol of the false messianic ideology called “Zionism”. A bankrupt political ideology based on a lie and the death of 6 million (sic) of their own on whose bodies they build the nation that will rule the world with justice and equity (sic).

## The narrative is falling apart

Their story is falling apart. People no longer kow-tow to the voice of authoritarianism and do their own research. You know something is wrong when a 91-year-old Germany lady<sup>5</sup> has to be sent to jail for speaking out. Nobody is denying that **something happened** but when it is becomes unquestionable and is not allowed to be subjected to the rigour of historical investigation and needs “laws” for protection then we need to quote Jacob.....**“You made me to stink among the inhabitants of the land”** (pew, better get one of those bars of soap and

have a wash). The holocaust has become a religion because it is the founding event of Zionism. Anything that has a lie as its foundation will not last. The only sacrifice that God demanded is the one he provided himself for both Jew and Gentile – Jesus Christ. **Repent. Judgement Day is at hand. Tick Tock.**

<sup>i</sup> See: <https://govimgazette.com/six-million-jewish-holocaust-myth/> Jewish author, Benjamin Blech, confirmed this reality in his book "The Secrets of Hebrew Words" (J Aronson Inc., 1991, p. 241), stating,

## YOU SHALL RETURN

In the days when slavery existed, the Torah decreed that there must come a time when every man goes free. Even those who resold themselves after six years of servitude, and had their ears pierced for voluntary enslavement, could not remain beyond the time of the Jubilee.

וּקְדַשְׁתֶּם אֶת שְׁנַת הַחֲמִישִׁים שָׁנָה וּקְרַאתֶם דְּרוֹר בְּאָרֶץ  
לְכָל־יֹשְׁבֵיהָ יוֹבֵל הוּא תְּהִיָּה לָכֶם

(Ve-kidashtem et shenat ha-hamishim shanah u-keratem deror ba-arez le-khol yoshveha yovel hi tihyeh lakhem)

"And ye shall hallow the fiftieth year and proclaim liberty throughout the land unto all the inhabitants thereof."

[Leviticus 25:10]

These are the words chosen to be inscribed on the Liberty Bell. It is in the Jubilee year that "ye shall return every man unto his possession and ye shall return every man unto his family."

The Hebrew word for "ye shall return," תָּשׁוּבוּ (TaShuVU), seems to be spelled incorrectly. Grammatically it requires another ו (vav). It ought to read תָּשׁוּבוּ (TaShUVU).

Why is it lacking the letter ו (vav), which stands for 6? תָּשׁוּבוּ (without the "vav") is a prediction to the Jewish people of ultimate return to their national homeland. תָּשׁוּבוּ in numbers adds up to 708: ת (tav) = 400, ש (shin) = 300, ו (vet) = 2, ו (vav) = 6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year pre-
