

Strong Delusion

The time has arrived to speak bluntly to Christians who are on the verge of being deceived, in order to encourage them to pull back and examine scripture again. We know that a falling away will occur before the Messiah returns. Do we realise that this is a repeat pattern? Many Jewish-Christians apostatized back to Judaism in the first century (and took many Gentiles along with them). It is for this reason that Jesus did not return. Instead he destroyed Jerusalem in judgement in AD 70.

Then it happened again (AD 136). This time it was the **Bar Kochba rebellion**.¹ Bar Kochba was hailed as the messiah by the chief Rabbi (Akiva). His rebellion lasted 3.5 years (42 months) he re-started sacrifice and attempted to rebuild the temple. He depicted himself as the “**star**” out of the prophecy of Num 24:17 elevated above the temple. He persecuted and killed Jewish-Christians and forced everyone to use his coins to buy and sell with. His name added up to the value of 666.²

How did God respond? Bar Kochba was destroyed the rabbis were wrapped in their Torah scrolls and burnt to death by the Romans or tortured. Jerusalem was declared a Gentile city and Jews were banned from entering on pain of death (Rev 11:2). They were scattered for more than 2,000 years.

The apostle Paul predicted this outcome with his “man of sin” prophecy in Thessalonians which was about the **false Messiah (Bar Kochba)**. A pattern has therefore been established whereby the Jews are stubborn, intransigent and keep trying to grasp at divinity (like Adam) by their own means and works.

Fast forward, 2,000 years. The nation has returned under a Zionist “ideology” which is supposedly “secular”, but they still use a **star** (on their flag) and they still want to build a **Third Temple** and they still want to recommence sacrifice and rule the world.

For the last 150 years they have been working towards this by manipulating the ambitions of the Anglo-speaking nations. They managed to achieve the Balfour Declaration by involving the USA in WW1, they managed to capture the financial system with the Federal Reserve, and they managed to punish and neutralise Russia with the communist Revolution.³ All this resulted in the breakup of the Ottoman empire and the desired homeland. Thus, they had negated the will of God and **returned in unbelief without repentance**. Therefore, in Jewish eyes, Judaism is triumphant and will eventually defeat the abomination that is Christianity and will rule the Gentile nations thereby fulfilling her destiny. You didn’t think there would be a peaceful “accommodation” with Christianity, did you?

The Anglo-Zionist empire is being used again. The “Arab Spring” was thought up and directed by neoconservatives (Jews), the prince of Saudi Arabia (MBS) came to power through a coup supported by the CIA-Mossad⁴ and they were almost successful in removing Erdogan from Turkey. They are stirring trouble all over the world before they collapse the global economy **which they own**. They use spies and blackmail (Epstein) money (Rothchild) and assassination (Mossad) to achieve their ends and only see Christians as useful idiots that they can turn (like a dog to vomit) back to Judaism. This is a repeat pattern.

What then of the UK --- Tarshish---rule Britannia? The Anglo empire has been co-opted and used. It has become an Anglo-Zionist tool bent on global hegemony. However, the Anglo’s do not realize they are along for the ride – they will be ditched when the time is right. But.... but.... Tarshish challenges Gog (Russia) and the UK is going to leave “Catholic Europe” and will

⁴What Is Really Going on in Saudi Arabia? John Chuckman; “You see, if Israel itself actually had to do all the ugly deeds it wants done in the region, the world would see it with blinding clarity for the pariah state that it truly is, starting wars incessantly. Proxies—whether mercenary gangs like ISIS and Al-Nusra in Syria or tyrants like the new Saudi Crown Prince in Yemen and Lebanon—are the latest fashion statement from Tel Aviv”. <https://www.foreignpolicyjournal.com/2017/11/11/what-is-really-going-on-in-saudi-arabia/> Saudi Crown Prince Boasted That Jared Kushner Was “In His Pocket”. <https://theintercept.com/2018/03/21/jared-kushner-saudi-crown-prince-mohammed-bin-salman/>

amass a huge armada (is getting one ready in the gulf) to help Israel against her enemies (Iran and Russia and China LOL).

In Ezekiel 38 Tarshish asks about spoil (plunder) because they are **Merchant Ships**. In other words, they are asking Gog if they **can share in the looting**. Does that make sense? Is the UK and the USA going to ask Russia if they can join in looting Israel? (LOL). Of course, that is nonsense. The “ships of Tarshish” do not need to rescue Israel because they are part of the **same** Anglo-Zionist complex. That is like asking them to rescue themselves. Besides which (as indicated above) Tarshish in Ezekiel was not intent to rescue anyone...it just wants to join in with the plundering and looting.

Even Edward Whittaker had doubts about the Tarshish narrative.⁵ Edward Whittaker proposed a “second Invasion” of Gog referenced by Ezekiel (39:17-22). However, the Armageddon scenario in Rev 19 is **not** the “Gog invasion” as Gog appears at the **end of the millennium in a supra-historical sense**. It is long overdue that Christian understanding of Ezekiel 38-39 is revised as well as the understanding of Daniel and the Apocalypse. These prophecies are repeat patterns not geo-strategic reports written in advanced or continuous history about Britain and the Catholic church (LOL). The main protagonist is the Jewish nation that has an unearned attitude of Jewish supremacy and they will use all means (including Frankfurt school cultural Marxism)⁶ both foul and fair to destroy western society to achieve their ends. Christians who cheer-lead and support such behaviour are enablers, sycophants and false prophets, they are aboard a ship of fools (Tarshish) and the false Jew has his hand on the tiller. The only Jew we should worship is Jesus Christ. He will save the boat in the storm. Jesus said that he would not return until they say, “Blessed is he that cometh in the name of the Lord”. They are a long, long, way from acknowledging Jesus as the messiah. And so, I say to Christians –both Jewish-Christians and Gentile-Christians, disassociate yourselves from the blasphemy of them which say they are Jews, and are not, but *are* the synagogue of Satan (Rev 2:9).⁷

⁶ The Frankfurt School was a Jewish Intellectual movement that has helped destroy the Christian West. See; *The Culture of Critique* by Kevin MacDonald (review): <http://heretical.com/miscellx/culturec.html> Note that the destabilisation of the Middle East has resulted in mass refugee immigration changing the demographics and culture of Christian Europe. This is no accident.

⁷ Today, some lucid Israelis are worried about their country’s plunge into collective pathology. Yehoshafat Harkabi, deputy director of military intelligence, wrote in 2009: “Dazzled by its self-righteousness, Israel cannot see the case of the other side. Self-righteousness encourages nations no less than individuals to absolve themselves of every failing and shake off the guilt of every mishap. When everyone is guilty except them, the very possibility of self-criticism and self-improvement vanishes...Alan Hart, *Zionism: The Real Enemy of the Jews*, vol. 2: *David Becomes Goliath*, Clarity Press, 2009, pp. 42–49
